

## DECADENT NIGHT SHANGHAI - WHAMPOA CLUB

### 纸醉金迷的夜上海——外滩黄浦会

Since opening in 2004, Whampoa Club has delighted and surprised even the most discerning Chinese palates giving food lovers a reason to indulge.

While its art deco-inspired furnishings recalls the glorious 1920's Shanghai era, the cooking invigorates classic Chinese recipes with a contemporary flair. Whampoa Club uses classic Shanghainese and Cantonese tastes and flavors, prepares the dishes with disciplined finesse to accentuate those flavors and present them in an elegant and creative style.

In addition to the superb cuisine, guests can also choose from a range of 50 specially selected exclusive listed teas from the farthest reaches of China, elegantly served in traditional tea ceremony presentations. To add to the experience, professional tea sommeliers will be on hand to help diners choose from the vast selection.

The exquisite tableware in the restaurant is custom-made exclusively for Whampoa, and includes green colored jade plates, as well as other various custom-made porcelain and glass. Whampoa Club captures both the illustrious past and contemporary spirit of today's Shanghai. The design of the 1,800 sqm restaurant by Alan Chan is envisioned as a "modern take on art deco".
